

# **LANCO BORN TO LOVE YOU**

I was born in a town full of red pine trees  
County sign says "follow your dreams"  
Westbound train makes the whole town shake  
Friday night lights decide your fate

Born again in a church where the steeple's  
white  
Preacher preach Book of John and my momma  
cried

Meanin' of life was in verse 2  
Didn't make sense 'til I found you

I could search the world from south to north  
But I've already found what I'm lookin' for  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
Lookin' in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you

I was a wild child between lost and found  
Then you spoke my name, it was a sweet  
sound  
Rescue kiss and you pulled me in  
All my life baby, where you been

'Cause I could search the world from south  
to north  
But I've already found what I'm lookin' for

Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
Lookin' in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you

'Cause I could search the world from south  
to north  
But I've already found what I'm lookin' for  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
Lookin' in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you
