

THE REFRESHMENTS 55 FORD

There's gotta be some changes made in my life
I wanna ride around in style dressed sharp as a knife
I'm tired of walkin' around here all alone
I need to get me a motor of my own
If i had that car everything would be fine
All the beautiful women in town would be standin' in line
They'll be chasin' me when i'm comin' on down the street
Cryin' daddy daddy please let me take a seat
That's the way it's gonna be
Still it's just a fantasy
Utill I can afford that -55 Ford
Utill I can afford that -55 Ford
Until I get a hold of that -55 Ford
A t-bird convertible that's all i need
To get me in the race and me in the lead
With that v8 motor roarin' underneath the hood
I'll be hot as the sun, feelin' fine lookin' good
That's the way it's gonna be
Still it's just a fantasy
Utill I can afford that -55 Ford
Utill I can afford that -55 Ford
Until I get a hold of that -55 Ford
First it warms your heart, then it reads your mind
It's got trigger torque power with a thunderbird line
Detachable top white wall tires neptune green
Automatic transmission it's the finest thing you've seen
I don't mind savin' all my dough
'Cause it's simply the only way i know
To change my cloudy skies into blue
Now with the cabtop down baby i'm comin' after you
That's the way it's gonna be
Still it's just a fantasy
Utill I can afford that -55 Ford
Utill I can afford that -55 Ford
Until I get a hold of that -55 Ford
-55 Ford, -55 Ford, -55 Ford ...
