

LAURA BELL BUNDY I'M NO GOOD

Do I know you, 'cause there you are
Trust me, I'm not like any girl
at this bar
You can keep talkin' a mile a minute
And I can still see my life
without you in it
So don't (don't), don't ya start cryin'
Don't (don't), at least I'm not lyin'
I'm shootin' you straight,
straight from the hip
Don't waste your time,
just read my lips
Shhh

Chorus:

I don't think you heard me correctly
I'm no good for you baby
I can't say this more directly
I'm no good for you baby
I'm no good (she's no good)
I'm no good (she's no good)
I told you, I told you,
proceed with care
Baby, oh baby, you better beware
I don't wanna lead you on
I'm no good for ya baby
I'm no good (no good)
I'm no good (no good)

I'll shake my junk to make
other boys stare
And I'll pretend you're not
even standing there
I can drink whiskey like it's
going outta style
And you can wait for me to change
but you'll be waitin' quite awhile
So don't (don't), call me devil woman
Don't (don't), think you'll be
gettin' any lovin'

I'm reckless, and restless,
I don't clean my mess up
I'm tryin' to be nice, it's not often
that I fess up
Shhh

Repeat Chorus

I ain't looking for Mr. Right, ain't
looking for Mr. Right now
You can say what you think, I wanna
hear but it won't help you anyhow

Repeat Chorus

I'm no good, I'm no good....
