

ROY ORBISON

CALIFORNIA

BLUE

Working all day
And the sun don't shine
Trying to get by
And I'm just killin' time
I feel the rain
Fall the whole night through
Far away from you
California Blue

-CHORUS-

California Blue
Dreaming all alone
Nothing else to do
California Blue
Everyday I pray
I'll be on my way
Saving love for you
California Blue

One Sunny Day
I'll get back again
Somehow, some way
But I don't know when
California Blue
California Blue

Living my life
With you on my mind
Thinking of things
That I left far behind
It's been so long
Doing all I can do
To get back to you
California Blue

Still missing you
California Blue
