

THE WASHBOARD UNION SHINE

Never gonna give up
There's no holding us down
Yeah, we got this
Yeah, It's our time to shine
(Oh-oh-oh)
(Oh-oh-oh-oh)
(Oh-oh-oh)
(Oh-oh-oh-oh)
I've been ready, for this moment all of my life
Anticipating, waiting on my chance to ignite
It's amazing, the feeling when a dream comes alive
Right here, right now, it's my day in the sun
So here we are, our time has come
Every little moment, every little beat of my heart
Bound for glory, this is where we start
Gonna stand up and show 'em what we've got
Never gonna give up, there's no holding us down
Yeah, we got this
Ain't no stopping us now
Got me dancing
Like the whole world is mine
Yeah, it's out time to shine
(Oh-oh-oh)
(Oh-oh-oh)
We all get stepped on, but we get back up and
fight
Dust yourself off, put it all on the line

Forget your worries, leave all your troubles behind
'Cause
Every little moment, every little beat of my heart
Bound for glory, this is where we start
Gonna stand up and show 'em what we've got
Never gonna give up, there's no holding us down
Yeah, we got this
Ain't no stopping us now
Got me dancing
Like the whole world is mine
Right here, right now, it's my day in the sun
So here we are, our time has come
Every little moment, this is where we start
Gonna stand up and show 'em what we've got
Never gonna give up, there's no holding us down
Yeah, we got this
Ain't no stopping us now
Got me dancing (oh-oh-oh)
Like the whole world is mine (oh-oh-oh-oh)
Yeah, it's out time to shine
It's our time, it's our time, it's our time to shine
(oh-oh-oh, oh-oh-oh-oh)
Yeah, it's our time to shine
(Oh-oh-oh)
Oh it's out time to shine (oh-oh-oh-oh)
Yeah, it's our time to shine
