

GLEN CAMPBELL ANYONE CAN PLAY

When it comes to lovin'
Well anyone can play
Squeezin' and huggin'
Well anyone can play
Well, then you say a sinner
Can't be a winner
But if the moon lies right above
Well when it comes to game of love
Anyone can play

Wanna try a little kissin'
Well anyone can play
Well baby poker up and listen
To what I've gotta say
Well with any kind of lover
You can discover
All the dreams they've been dreamin' of
When it to comes to the game of love
Anyone can play

Come on baby, and take a chance
It's the time to start
Oh what have you've got to lose girl
But your heart
Baby pay attention
Well anyone can play

It's a natural invention
And it's here to stay

So why the hesitatin'
Cupid's waitin'
Just to give you that welcome show

Oh what have you've got to lose girl
But your heart
Oh baby pay attention
Because anyone can play
It's a natural invention
And it's here to stay

So why the hesitatin'
Cupid's waitin'
Just to give you that welcome show
