

THE ABRAMS

FINE

7: 00 AM back to the grind
work a nine to five, then a five to nine
Oh but everything's gonna be fine yeah
everything's gonna be fine
I'm still stuck on friday night
with the radio up on the coastline driving
everything's gonna be fine yeah
everything's gonna be fine
You're my blue eyed, july weekend on monday
when I can't stop thinkin' 'bout you
just wanna lay in the sun-day

When I'm going kinda crazy
You get me back on my lazy
You got me feelin' like,
everything's gonna be fine yeah
everything's gonna be fine
sippin' on the summer
a heart banging like thunder
you got me singin' like everything's gonna be fine
yeah
everything's gonna be fine yeah

take me for a ride on beachside baby
midnight bonfire sparks are flyin'
everything's gonna be fine yeah
everything's gonna be fine
You're my my slow down, sundown kick back on
monday
when I can't stop thinkin' 'bout you
just wanna lay in the sun-day

When I'm going kinda crazy
You get me back on my lazy
You got me feelin' like,
everything's gonna be fine yeah
everything's gonna be fine
sippin' on the summer

a heart banging like thunder
you got me singin' like everything's gonna be fine
yeah
everything's gonna be fine yeah

Oh but I don't care cause I know You're mine and
everything's gonna be fine yeah
everything's gonna be fine

You got me feelin' like,
everything's gonna be fine yeah

sippin' on the summer
a heart banging like thunder
you got me singin' like everything's gonna be fine
