**Album :Before the storm**

**Date de sortie : 28 Janvier 2012**

it was half past nothing on a nowhere night  
and i had no one to love,  
i had no one to fight so i took a walk down bad news avenue  
i had a heart full of burden and a head full of booze,  
i had nothing to gain,  
i had nothing to lose, so i stepped inside the tavern and began to play  
bad news bad news. I'm talking to you  
i don't know your name, but i would love tooooo  
next thing I hear a knock knock, who's that there at my door?  
I hear a knock knock, think she's back for more  
well i woke up in the morning with the bad old head,  
i had poison in my pocket and a body in my bed,  
if you can get it with small change it might as well be free  
well sun came out and the shit went down,  
i went looking to the gutter for the lost and found and that's when  
i saw you smiling back at me.  
bad news bad news. I'm talking to you child  
i don't know your name, but i would love tooooo  
next thing i hear a knock knock, who's that there at my door?

i heard a knock knock, i think she s back for more
