

WARD THOMAS CARRY YOU HOME

When it all comes caving in
And you can't be brave again
Whenever you need a friend
Need a friend, call me
When the red lights stop your tracks
And you know you can't turn back
So whenever you need a friend
Need a friend, call me
'Cause I'll be there to carry you home
When you're on your own, so scared
And I'll be there when it all goes wrong
Just to show you someone cares
If you need a light, I'll help you find a
reason to believe
Call me
Yeah, we all fight different fights
But everybody feels, everybody bleeds,
everybody cries
So whenever you need a friend
Need a friend, call me
'Cause I'll be there to carry you home
When you're on your own, so scared
And I'll be there when it all goes wrong
Just to show you someone cares
If you...
When it all comes caving in
I'm beside you till the end
'Cause I'll be there to carry you home
When you're on your own, so scared

And I'll be there when it all goes wrong
Just to show you someone cares
If you need a light, I'll help you find a
reason to believe
Call me
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh
If you need a light, I'll help you find a
reason to believe, call me
