

# LEAVING THOMAS BEST ADVENTURE

You're like a margarita town on a hot  
summer day  
You're like a throw a dart, hit the map and  
we're on our way  
You're that long stretch of highway, with  
the wind in your hair  
Take me there, anywhere, I don't care

Oh Yeahhh everywhere is better when I'm  
with you (ohh ohh ohh)  
Oh Yeahhh keep the wheels spinning drop it  
down in cruise (ohh ohh ohh)

Ready set the feeling's right  
Let's chase the sun into the night  
Oh I know it might sound crazy  
You my best adventure baby

Ohh ohh ohh, ohh ohh ohh

You shine brighter than them lights up in  
New York City  
You're a blue jeans, barefoot wandering  
mystery  
You're like the ocean waves crashing, feet in  
the sand  
You're the yes we can, take my hand without  
a plan

Oh Yeahhh everywhere is better when I'm  
with you (ohh ohh ohh)

Oh Yeahhh keep the wheels spinning drop it  
down in cruise (ohh ohh ohh)

Ready set the feeling's right  
Let's chase the sun into the night  
Oh I know it might sound crazy  
You my best adventure baby

If you wanna take a backroad, or take this  
train off the tracks  
If you just wanna stay home, baby I'm with  
good with that

Oh Yeahhh everywhere is better when I'm  
with you (ohh ohh ohh)  
Oh Yeahhh keep the wheels spinning drop it  
down in cruise (ohh ohh ohh)

Ready set the feeling's right  
Let's chase the sun into the night  
Oh I know it might sound crazy
