

# **LANCO BORN TO LOVE YOU**

I was born in a town full of red pine trees  
County sign says "follow your dreams"  
Westbound train makes the whole town shake  
Friday night lights decide your fate  
Born again in a church where the steeple's  
white  
Preacher preach Book of John and my momma  
cried  
Meaning of life was in verse two  
Didn't make sense 'til I found you  
I could search the world from south to north  
But I've already found what I'm looking for  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
I was a wild child between lost and found  
Then you spoke my name, it was a sweet  
sound  
Rescue kiss and you...  
'Cause I could search the world from south  
to north  
But I've already found what I'm looking for  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you

Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm  
here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
'Cause I could search the world from  
south to north  
But I've already found what I'm looking  
for  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you  
Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm  
here  
Wherever I go and whatever I do  
I was born to love you, I was born to love  
you
