

SHOOTER JENNINGS BOUND TA GIT DOWN

Well I was born in Tennessee and it couldn't
hold me
I told my mama and my daddy that I got to
be free
I moved to California where the sun shines
all day long
If it feels so good, girl you know it ain't
wrong
I started playin' in the clubs, playin' keys
I started chasin' every woman that laid a
smile on me
Played with Guns n' Roses by the time that I
was 23
Yes, there ain't no rock n' roller alive that
was rock n' rollin' enough for me

Yeah, 'cause I wanna get down
Down like a basset hound
Down to the honky tonk town
Burn this juke joint down
Make Hank proud
Get drunk
Get loud
I'm bound ta git down
Bound ta git down

Well, I made a few records, I wrote a few
songs
I took 'em down to Nashville and set it all
off
Didn't hear from the bus
Still stuck in traffic back in Tennessee

See if I end up drinkin' I'll be out of bullets,
scream for me
Now I got me a house in the Hollywood Hills
I smoked me some weed but I don't take no
pills
I got me a man, we love jammin'
On my gray guitar, on my gray hammock
I once saw a band with Marilyn Manson
Called Johnny B. Bad
You know that I'm back in town!

Down like a basset hound
Down to the honky tonk town
Burn this juke joint down
Make Hank proud
Get drunk
Get loud
I'm bound ta git down
Bound ta git down

Oh I wanna get down
Down like a basset hound
Down to the honky tonk town
Burn this juke joint down
Make Hank proud
Get drunk
Get loud
I'm bound ta git down
Bound ta git down

Yeah...
