

# BRETT KISSEL

## DAMN

(feat. Dave Mustaine)

Rhinestones, tank tops  
Cut off cargo boots  
20 dollars in the jar  
Just to start the groove  
Bartender let it pour  
Ladies out on the floor

One shot, two shots  
Now it's Friday night  
Nothing like buzzing  
Underneath the neon lights  
Girl I gotta know your name  
Where'd you get all that game

Damn! you're knocking me out girl  
Damn! you're rocking my whole world  
Girl you've got it going on  
Baby there's ain't nothing wrong with them  
Tanned legs, shaking that body to the  
Fan, good God almighty  
Come on DJ turn it on  
I'm about as good as gone  
Damn!

I got you now  
10 past midnight  
Ain't no slowing down  
Finally I got  
My two arms around you  
And I ain't letting you go  
Losing all self control  
Keep on doing what you're doing  
Girl you're on a roll

Damn! you're knocking me out girl  
Damn! you're rocking my whole world  
Girl you've got it going on

Baby there's ain't nothing wrong with them  
Tanned legs, shaking that body to the  
Fan, good God almighty  
Come on DJ turn it on  
I'm about as good as gone  
Damn!

My heart's thumping  
Keep it pumping  
Girl you're something  
My heart's thumping  
Keep it pumping  
Girl you're something

My heart's thumping  
Keep it pumping  
Girl you're something  
My heart's thumping  
Keep it pumping  
Girl you're something

Damn! you're knocking me out girl  
Damn! you're rocking my whole world  
Girl you've got it going on  
Baby there's ain't nothing wrong with them  
Tanned legs, shaking that body to the  
Fan, good God almighty  
Come on DJ turn it on  
I'm about as good as gone  
Damn!  
Damn!  
Damn!

Damn! you're knocking me out girl  
Damn! you're rocking my whole world  
Damn!
