MOVE IT ON OVER

Album : King of the Hill

Came in last night about half past ten
Woman of mine wouldn't let me in
Said move it on over
Rock it on over
Move over little dog
'Cause the big ol' dog's movin' in

She told me not to mess around
I done let the deal go down
Move it on over
Slide it on over
Move over nice dog
'Cause the mean ol' dog's movin' in

She changed the locks on my back door
Now my key don't fit no more
Move it on over
Yeah, ease it on over
Move over skinny dog
'Cause the fat dog's movin' in

Lonesome George

She can crawl back to me beggin' on her
knees
Travis sittin' home just a scratchin' fleas
Move it on over
Scoot it on over
Move over old dog
'Cause the new dog's movin' in
Whoa

Ah...yeah
Hey
Ha ha ha

Well, listen to me dog before you start to
whine
That side's yours and this side's mine
Move it on over
Rock it on over
Move over little dog
'Cause the big ol' dog's movin' in

Oh...yeah

Well, a dog's house here is kinda small
It's better than no house at all
Move it on over
Said slide it on over
Move over nice dog
'Cause the mean ol' dog's movin' in

Yeah, move it on over
Move it on over
Move it on over
Rock it on over
Move over cold dog
The hot dog's movin' in...
Yeah, yeah...
