

KENNY ROGERS SHE BELIEVES IN ME

While she lays sleeping, I stay out late at night and play my songs
And sometimes all the night can be so long
And it's good when I finally make it home, all alone
While she lays dreaming, I try to get undressed without the light
And quietly she says how was your night?
And I come to her and say, it was all right, and I hold her tight

And she believes in me, I'll never know just what she sees in me
I told her someday if she was my girl, I could change the world
With my little songs, I was wrong
But she has faith in me, and so I go on trying faithfully
And who knows maybe on some special night, if my song is right
I will find a way, find a way...

While she lays waiting, I stumble to the kitchen for a bite
Then I see my old guitar in the night
Just waiting for me like a secret friend, and there's no end
While she lays crying, I fumble with a melody or two
And I'm torn between the things that I should do
And she says to wake her up when I am through,
God her love is true...

And she believes in me, I'll never know just what she sees in me
I told her someday if she was my girl, I could change the world
With my little songs, I was wrong
But she has faith in me, and so I go on trying faithfully
And who knows maybe on some special night, if my song is right
I will find a way, while she waits... while she waits for me!

She Believes In Me (Elle Croit En Moi)

While she lays sleeping

Pendant qu'elle s'endort

I stay out late at night and sing my songs

Je reste tard dehors la nuit et je chante mes chansons

And sometimes all the nights can be so long

Et parfois toutes les nuits peuvent être si longues

And it's good when I finally make it home

Et c'est bon quand je rentre finalement à la maison

All alone

Tout seul

While she lays dreaming

Pendant qu'elle se met à rêver

I try to get undressed without the light

J'essaie de ne déshabiller dans le noir

Then she quietly says how was your night

Après calmement elle demande comment s'est passée ma nuit

And I come to her and say it was all right

Et je viens à elle et dit qu'elle fut bien

And I hold her tight

Et je la serre fort

[Refrain]

[Refrain]

And she believes in me

Et elle croit en moi

I'll never know just what she sees in me

Je ne saurais jamais au juste ce qu'elle voit en moi

I told her someday if she was my girl

Je lui ai dit qu'un jour si elle était ma fille

I could change the world with my little songs

Je pourrais changer le monde avec mes petites chansons

I was wrong

J'avais tort

But she has faith in me

Mais elle a foi en moi

And so I go on trying faithfully

Et alors je continue d'essayer fidèlement

And who knows, maybe on some special night

Et qui sait peut être en une nuit spéciale

If my song is right

Si ma chanson est bonne

I will find a way

Je trouverai le chemin

Find a way

Je trouverai un chemin

While she lays waiting

Pendant qu'elle se met à attendre

I stumble to the kitchen for a bite

Je me faufile jusqu'à la cuisine pour manger un morceau

Then I see my old guitar in the night

Alors je vois ma vieille guitare dans la nuit

Just waiting for me like a secret friend

Qui m'attend juste comme un ami secret

And there's no end

Et il n'y a pas de fin

While she lies crying

Pendant qu'elle se met à pleurer

I fumble with a melody or two

J'essaie maladroitement un air ou deux

Then I'm torn between the things that I should do

Alors je suis déchiré entre les choses que je devrais faire

Then she says to wake her up when I am through

Alors elle me dit de la réveiller quand j'aurai fini

God her love is true

Mon Dieu, elle m'aime vraiment

[Refrain]

[Refrain]

While she waits, while she waits for me

Pendant qu'elle attend, pendant qu'elle m'attend
