

# CARO EMERALD THAT MAN

I'm in a little bit of trouble  
And I'm in real deep  
From the beginning to the end  
He was no more than a friend to me

The thought is makin' me hazy  
I think I better sit down  
Cause like the sweetest serenade  
Bet he knows he's got it made with me

Twisting round on a carousel  
This speeds' too much to stop  
One second I'm thinkin' I'm feeling the  
lust  
And then I feel a lot

That man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh I wanna love that man  
Ooh that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win  
Ooh I wanna love that man

Now it's like I'm on a mission  
Headed everywhere

And if it takes a little long  
And it feels a little wrong who cares?

My baby fits the description  
And does it easily  
A little Gable, some Astaire  
When he dances I can hardly breathe

Someone call a doctor  
Need some help to rescue me  
One second I'm thinkin' I must be lost  
And he keeps on findin' me

That man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh I wanna love that man  
Ooh that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win  
Ooh I wanna love that man

Ooh, I'm gonna find that man  
You bet ya, I'm gonna find that man  
Ooh, I'm gonna find that man  
I'm gonna find that, I'm gonna find  
that man
