

# **DERECK RYAN WON'T YA COME DOWN**

Won't you come down won't you come down  
Won't you come down to Yarmouth Town?  
In Yarmouth Town there lived a man  
Kept a little tavern by the strand  
The landlord had a daughter fair  
A pretty little thing with the golden hair  
Oh won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
One night there came a sailor man  
He asked the daughter for her hand  
Why should I marry you she said?  
Well I get all I want without being wed  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Hey oh  
Now if with me you'd like a linger  
I tie some string around me finger  
And as you pass by just pull on the string  
And I'll come down and  
I'll let you right in  
Oh won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
At closing time the sailor man went back to  
the tavern by  
the strand  
He's never seen such a sight before  
'Cos the string on the finger was all she wore

Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Hey  
Well the news it soon got all around  
The very next night in Yarmouth Town  
Fifteen sailors pull down the string  
She's come down and she's let them all in  
Oh won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?  
All young men to Yarmouth go if you see this  
girl with her  
hair hanging low  
All you've got to do is pull on the string  
And they'll come down and they'll let you all  
in  
Oh won't you come down won't you come down  
Won't you come down to Yarmouth town?  
Won't you come down won't you come down  
Won't you come down to Yarmouth town?
